Overlake Basketball Presents: COACHES VS. CANCER

Friday, January 26, 4-9 PM

4:00 PM JV Boys

5:30 PM Varsity Girls

7:00 PM Varsity Boys

SAVE THIS DATE! During these rivalry games against the Bear Creek Grizzlies, the Overlake Boys and Girls Basketball teams will highlight the need for community support for people and their families living with a cancer diagnosis. Please come and support this important cause! There will be prizes for the first 50 fans, special treats for sale, and raffle drawings for spectacular gift baskets.

Proceeds from our event will benefit the CLIMB (Children's Lives Include Moments of Bravery) program at EvergreenHealth Medical Center, which is a new support program designed specifically for children ages 6-12 whose parents are diagnosed with cancer.

As a part of the Overlake School's larger community, would you considering contributing to this worthy cause by making a donation for these prizes and raffle baskets?

Thank you so much, in advance, for joining with our girls and boys basketball teams to support those in our community living with cancer.

EvergreenHealth Foundation (Climb Program) is a 501(c)(3) non-profit corporation Tax#91-1519430.
