

5-8th Grade Math Club Starts September 3

What it is:

- A place where students gather and work together to explore new ways to solve math problems
- A place to make friends, teach and learn from each other, and enjoy being with other people who like the same things that you do

Where and when?

- 5/6th grade building – Mrs. Flora’s classroom Room 201
- Zero period on Tuesday, Wednesday, Thursday – 7:20 – 8:00 am

Who is it for?

- 5/6 graders Tuesday and Thursday
- 6/7/8 graders Wednesday
- You do not need to be on a team or participate in competitions
- If you want to be on an Overlake team you need to attend regularly

What do I do if I want to be on a team but cannot come to Math Club

- Fill out the form below and I will keep you on the list when students are forming teams

What do I do if I have a zero period class?

- You go to that class and closer to the Olympiad in April we can talk

Contests and Events:

- MOEMS Math Olympiad – monthly
- WSMC Math Olympiad – April 25 @ Overlake
- Math Is Cool – February 8, 15, 22 and March 1 (depending on grade)
- Math Counts – Class Events, not competition team
- Overlake Pi Day Activities

Interested?

Come and check it out – see what happens!

Fill out and return the form below or email Mrs. Flora at bflora@overlake.org with the information
