

The Overlake School

Vehicle Registration Form

As stated in the Upper School Handbook, all students who drive to school must complete this Vehicle Registration Form. If you filed a parking form and have already received a parking pass, you do not need to fill out this form again. This form will be on file in the event that the student must be contacted. Please complete the following and return to the Assistant Upper School Head. If you had a parking pass, but lost it, you will be re-issued one, and you do not need to fill this form out again. Thank you!
